5th October 2018

Dear Parents/Carers

Thank you for your support last Friday morning for our McMillan coffee morning. We are pleased to say that we managed to raise £145.00. I'm sure you'll agree the money is going to a vital cause.

We have had a busy 2 weeks in school since our last newsletter. Key Stage One and Two enjoyed NSPCC workshops, which highlighted the importance to all children about staying safe and speaking out. The whole school also enjoyed celebrating European Day of Languages. All classes enjoyed exploring different languages together. Take a look on class pages to find out more about what each class got up to.

Thank you to all of the new Nursery and Reception families who attended the Tapestry Briefing this week. We will be sending the 'sign up' letters home next week. Please send these back into school as soon as possible and we will get your account up and running. If you couldn't make the briefing or require more information please speak to a member of the Early Years team.

As we have started the academic year our lovely 'Nit' friends have also returned. Please be 'Nit aware'. Regularly check your child/children's hair and if you ever spot anything please treat their hair straight away. This will help reduce contamination in school. Nit treatment can be obtained at your local pharmacy.

You may have noticed that Miss Berry is expecting a baby. Miss Berry will be in working in school until mid November when she then plans to commence her maternity leave until the Easter 2019. Mrs Fairhurst, will be covering Miss Berry's class over after October half term until Easter. Miss Moran will be covering Miss Berry's leadership roles within school, leading Early Years and Key Stage One.

Thank you to everyone today for your kind donations to Salford Food Bank and CAFOD. The children looked great in their 'bright' clothes. We had great support as always.

Say cheese! Oh yes it is that time of year again. Next Thursday 11th October is our annual visit from the school photographer to take individual and sibling school photographs. As always you're more than welcome to visit the school hall from 8.15am to have a family photograph with a younger sibling that doesn't yet attend our school.

Christmas card designs have been sent home this week. If you'd like to order your child's design please complete the form as directed and send it back into school by Monday 8th October. The exact money should be included and make sure you've clearly completed the form. We send these to an external company therefore the information needs to be clear.

As we approach the end of this half term our class celebrations will begin. Please check on our website for the dates of these if you're unsure or speak to your child's class teacher.

Yours sincerely
Mrs C Harrison
Headteacher
