21st June 2019

Dear Parent/Carer

Well done to all of those Reception children who have been saying their goodbyes at the Reception classroom door and entering the classroom independently. This is great preparation for Year 1! We are asking that from next week all Reception children are taken to the Reception classroom door at 08.45am as usual but that you say your goodbyes outside and allow your child to enter on their own. Staff will be available to support you and your child if needed.

Change to a Bank Holiday 2020! You may have heard on the news recently that the May 2020 bank holiday has changed. The bank holiday is now Friday 8th May 2020 rather than Monday 4th May. This is to mark the 75th anniversary of VE Day. We have updated our schools holiday list to reflect this. The updated version can be found on our school website page.

Please take care! This week we have had some reports that in the morning some children are running down the drive into school. This is so very dangerous and we don't want any accidents. Please encourage your child/children to walk and to stay safe on the drive as they would on a road.

Our unwelcome hair friends are back! Nits seem to be rife in school at the moment. The only way that we can control this is if we all check our children's hair regularly and use treatments when required. Thank you to all those families who regularly do this! We really do appreciate your support and we are trying to support you with this issue the best we can.

Key Stage Two enjoyed a Multi Sports day this week. The children and staff had a wonderful time and even the sun came out. Key Stage Two enjoyed competing against each other in their mixed aged sporting groups. It was a great success. Thank you to Mr Warburton and Mrs Fisher for organising such a great day.

Our wonderful choir had a great time at the Big Sing this week. As always they were a pleasure to take out of school and enjoyed singing the day away. Thank you to all children who attended and staff who attended with them.

We still have lots of events coming up over the next few weeks including new class briefings, sports days, our summer fair and much more. Many dates are on display in classroom windows and all are available on class pages and our school calendar online. Please speak to your child's class teacher if you do not have access to these.

Yours sincerely

Mrs C Harrison
Headteacher
