Black History Month

Black History Month is a time set aside each year to celebrate the achievements of black men and women from the past and today. We will be marking the month in school.

We'd like you to join in at home if you can. Why don't you research some information about a significant person and their achievements from the past or present day?

You can display this as a poster, a fact file or booklet. You can be as creative as you like!

Send them into school during the month of October.

Maths No Problem!

Thank you to those who managed to attend the briefing with Mrs Dumbleton. If you couldn't make it or want to look at the information again you can find the presentation on the 'maths' page on our website.

We need your help!

Thank you to everyone who has been sending in Aldi stickers! We have over 100 stickers which is a good start, but we need LOTS more to try and fill our poster of 300 stickers.

Please ask for the stickers at the checkout in Aldi.

New sports kits for school would be amazing!

World Mental Health Day

#helloyellow

On Friday 11th October we will be marking 'World Mental Health Day' by wearing something yellow.

Please send your child/children into school wearing something yellow.

Buzzzzz!

Lots of children keep pressing the buzzer on the school gates and the entrance door. Please only press the buzzer once and the office will open the door or gate as soon as possible. The school office is a busy place.
